Alma Mater

To Bennett High School, hail, all hail
The name we all revere.
It holds a place within our hearts
Through every passing year.

Our aim is high, our goal is sure,
If faithful we will be.
So let us pledge to Bennett High
Our heartfelt loyalty.

So let us pledge to Bennett High
Our heartfelt loyalty.

Lyrics by Miss Ann Vincent
Music by Mr. Charles Smith

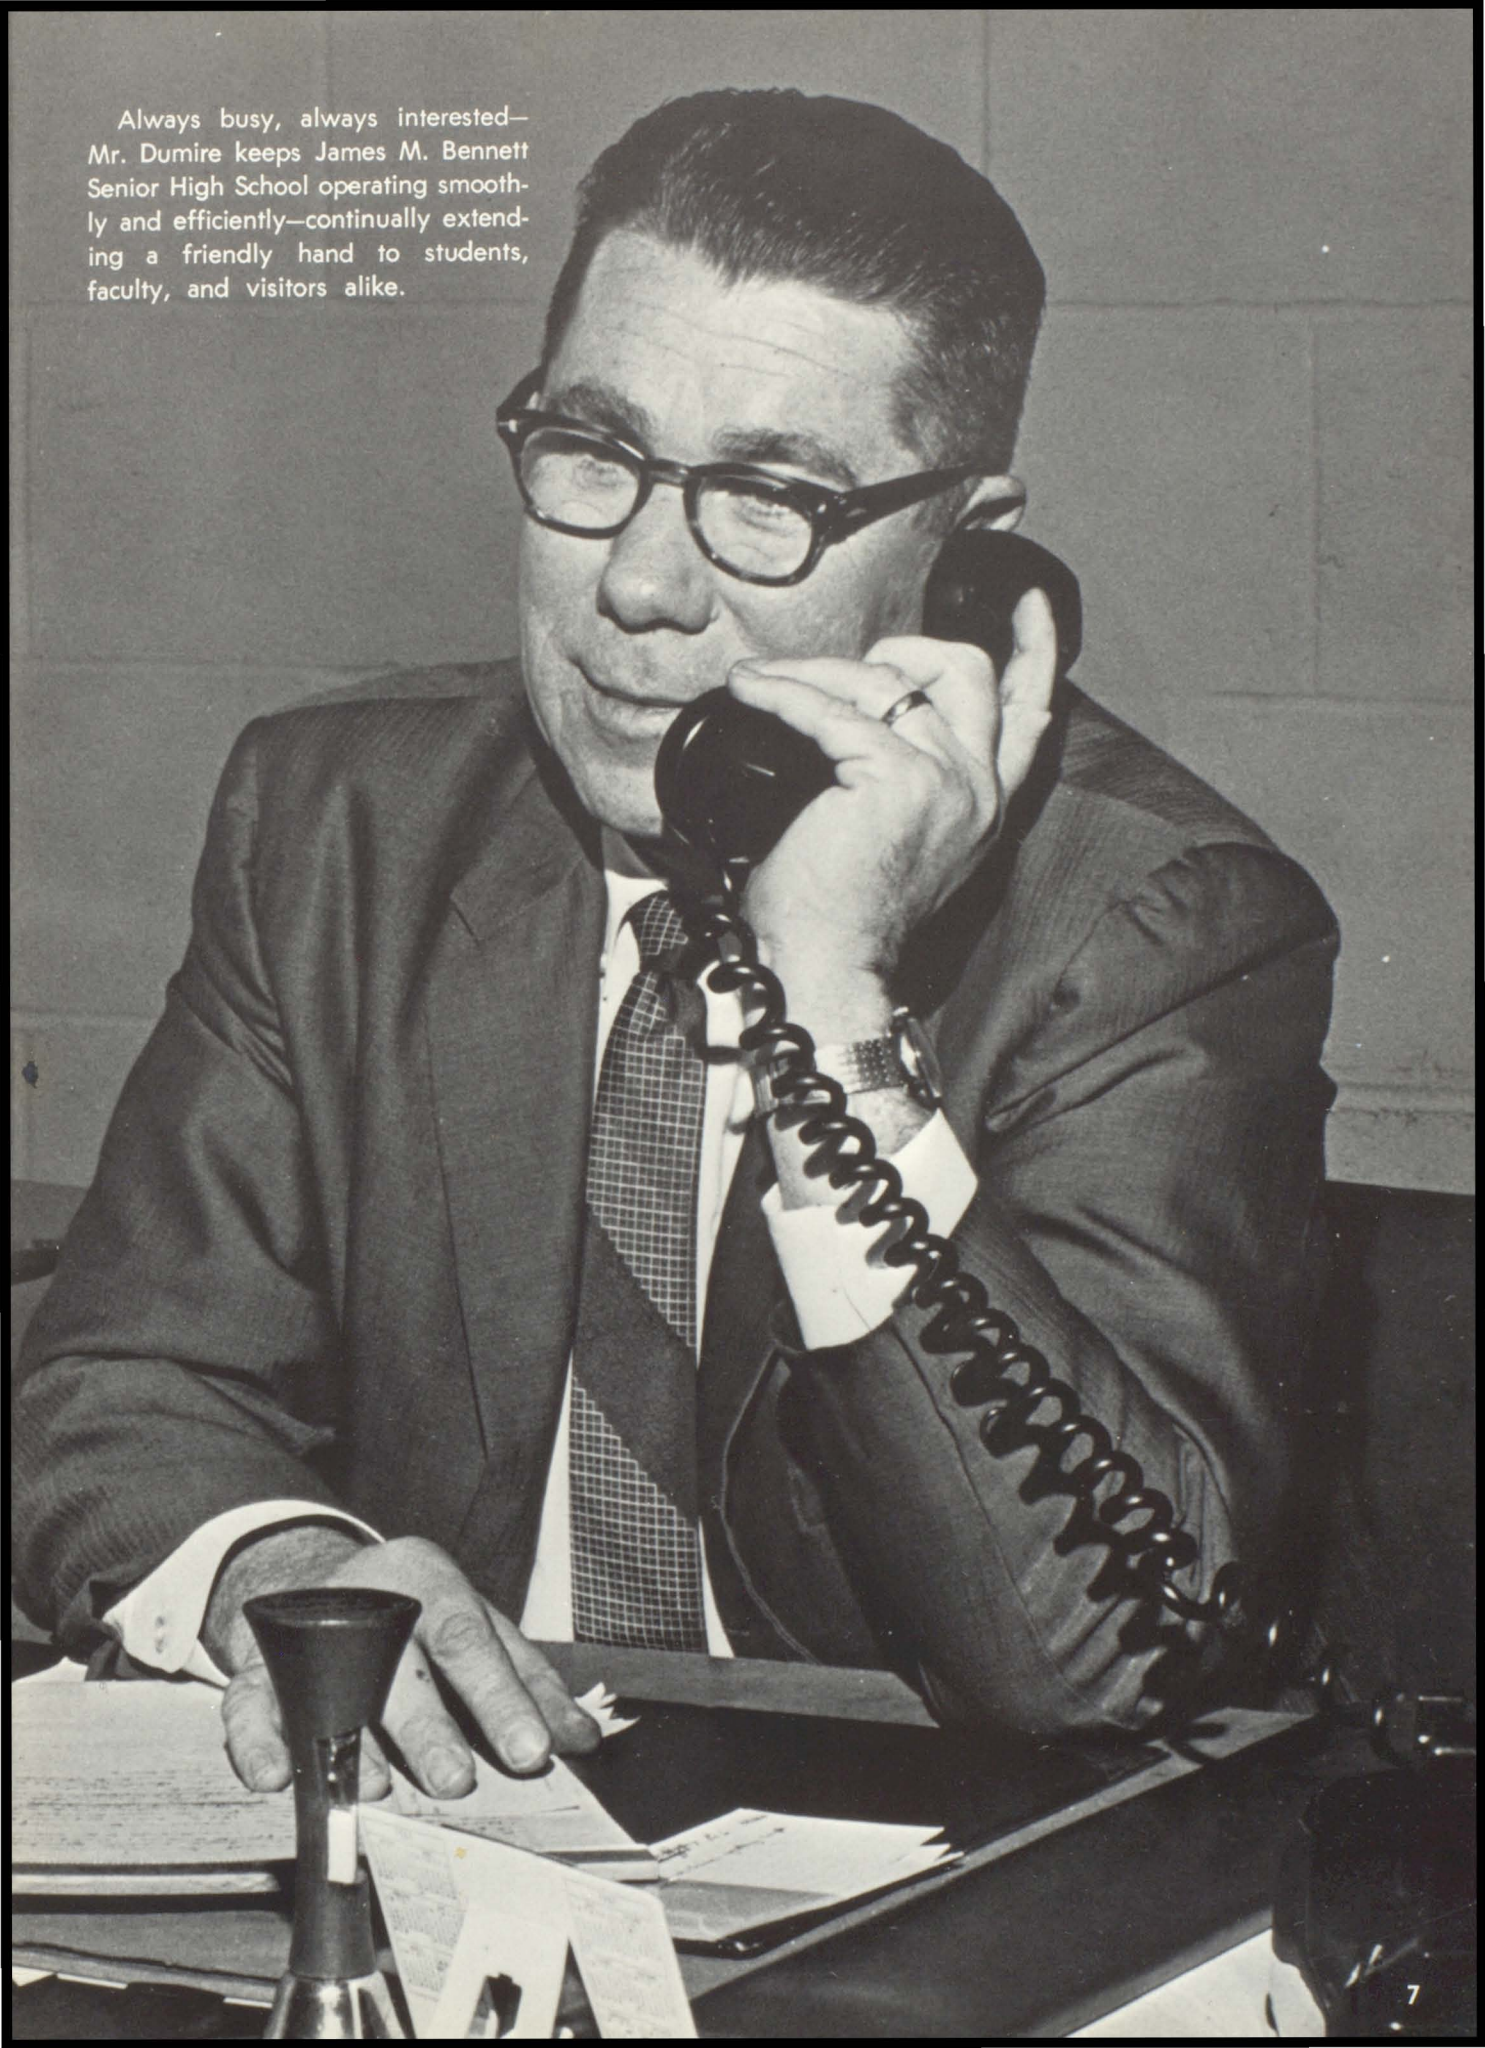
Dedication

With the utmost respect, the Class of '67 dedicates its yearbook to our principal, Mr. Carl W. Dumire, who has been a guiding force during our high school years.

But for his leadership, Bennett could not have achieved the stature it has in the short length of time in which it has been in operation. His sponsorship of many fund-raising programs has earned our school the money for uniforms and other necessary equipment.

Without his help, James M. Bennett would not hold the respected place in the community that it now holds. Through his wholehearted support, our school has risen above the standards set as a junior high and has achieved status as a senior high school.

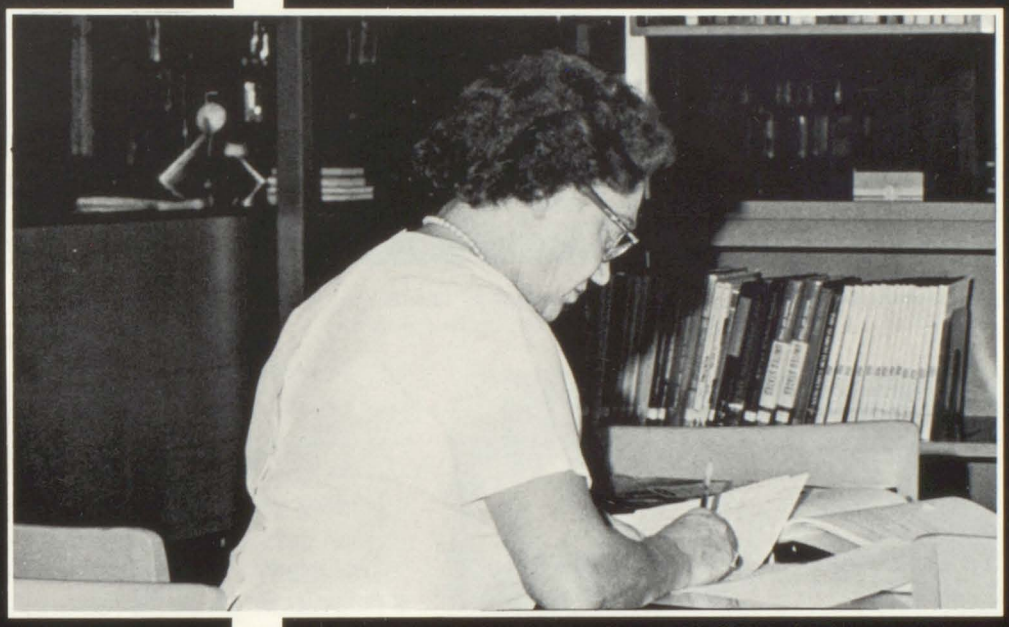
And so, it is to this man, Mr. Carl W. Dumire, that we dedicate this yearbook—to a man who is himself dedicated.



Always busy, always interested—Mr. Dumire keeps James M. Bennett Senior High School operating smoothly and efficiently—continually extending a friendly hand to students, faculty, and visitors alike.

This is not the end.
It is not even the beginning of the end.
It is rather the end of the beginning.

—*Winston Churchill*



ADMINISTRATION AND FACULTY

Board of Education

The interest and concern of the people in this community for the students of schools in Wicomico County is exemplified by the Board of Education. Under the supervision of Mr. Royd Mahaffey, Superintendent of Schools, the board sets school standards and regulations concerning finance, curriculum, sports, and numerous other subjects. The members represent all walks of life, thus providing diversification to produce quality education. Managerial and financial responsibilities are accepted willingly. The Board of Education brings excellence to all the schools of Wicomico County.

Our Skipper And First Mate

Dear Seniors:

Your graduation from high school will bring to an end one phase of your life and the beginning of a new one. It is my sincere hope that the training you have received at Bennett will lead you to success and happiness in your new life as adult citizens.

As you depart to assume your place in our democratic society, I wish you well. I hope you will always remember that only through respect and understanding for the rights and opinions of others can world peace be attained. I hope you will always remember that with every right goes a responsibility and that you will meet these responsibilities with maturity of thought and judgement.

Knowing you as I do, I am confident that the future of our nation is in good hands.

Very truly yours,

Carl W. Dunnire

As each class progresses to the point at which it is ready to leave a school, those who stay behind wonder at the speed with which children become adults. In the case of the Class of 1967, you have matured with your school. You have had the distinction of developing many of the events and ideals which are fast becoming proud traditions at Bennett. The standards by which this school is known and admired will always bear your stamp. You have been placed in positions of responsibility and trust since the eighth grade, and you have fulfilled those responsibilities and guarded that trust with determination, intelligence, and a spirit that refused to be dampened.

Graduation day, 1967, is probably the last day that your class will assemble in one place. All of you will be taking on new responsibilities and new trusts, which you will meet head-on and leave this world a little better place for those who follow.

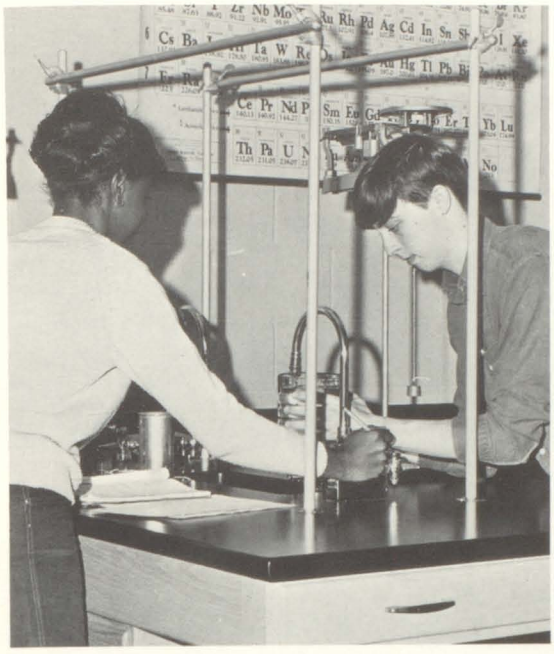
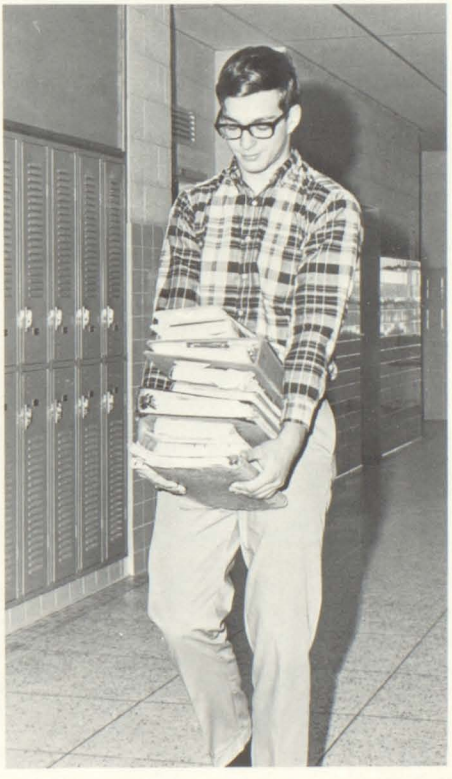
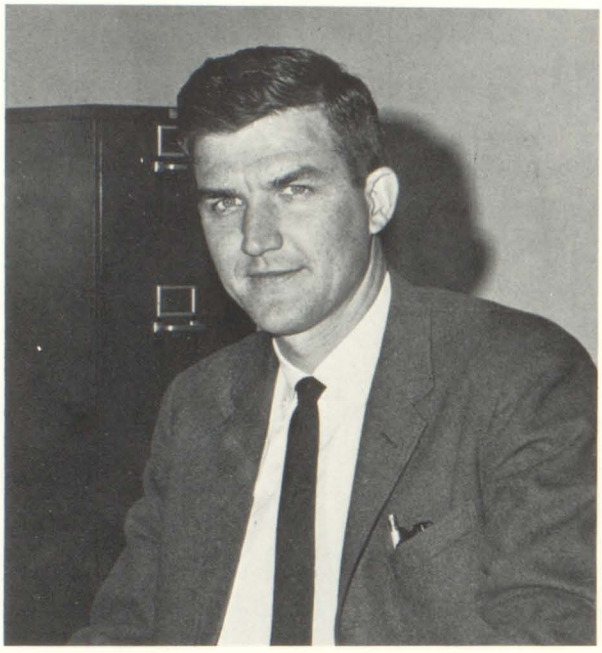
Planning For The Future



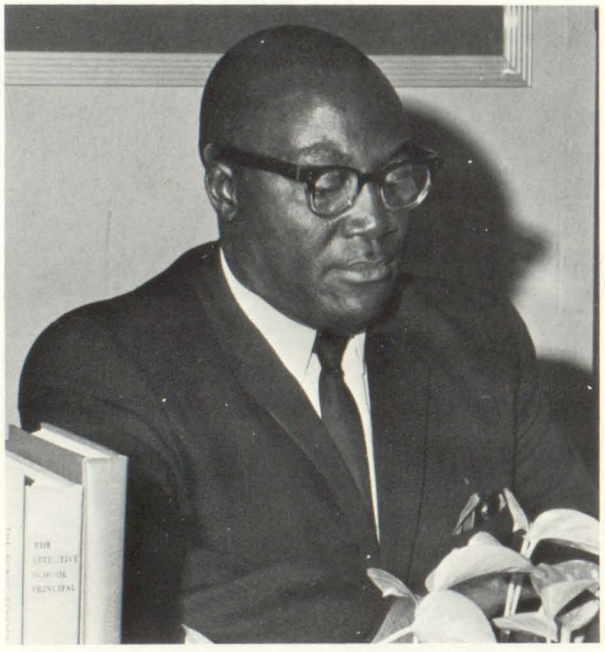


A First For Wicomico County



Mr. James A. Sullivan, *Director*
Fairmont State College, B.A.
West Virginia University, M.A.

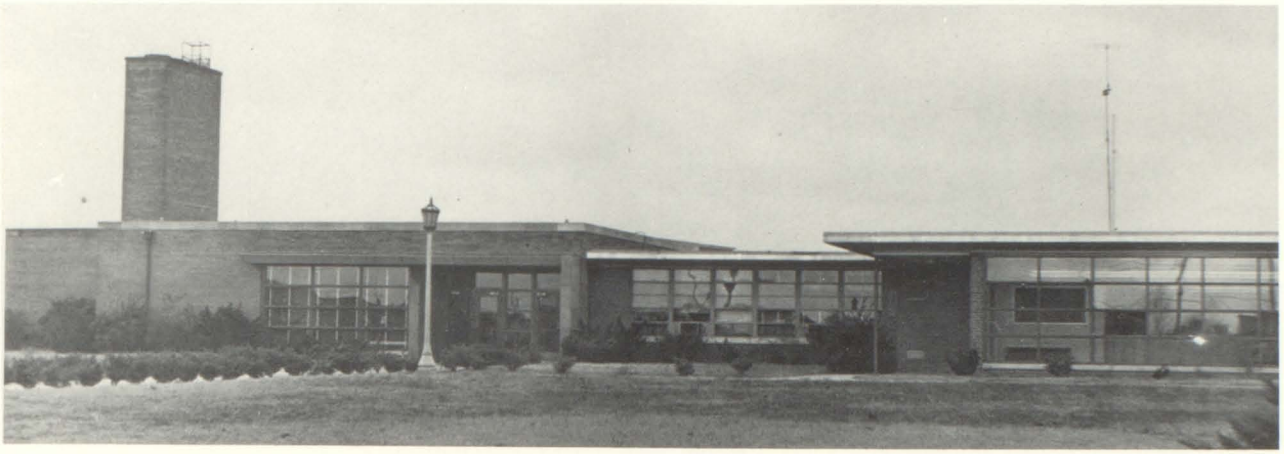
By September of 1967, the Wicomico County Vocational and Technical Center will be completed. Federal participation helped the dream come true—a center to train those high school students who do not go on to college and to enable them to become economically self-sufficient. The Vo-Tech Center, housed in the former Salisbury High School, prepares students to assume jobs directly after graduation.



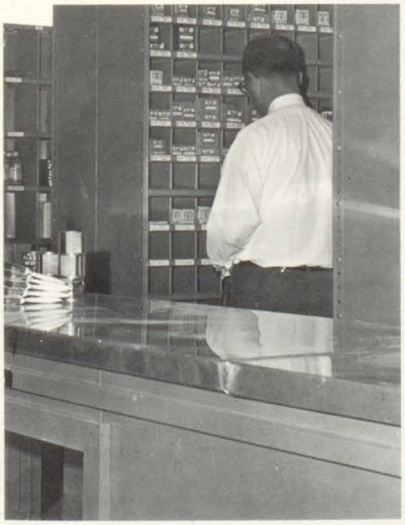
Mr. William F. Waller,
Assistant Director
Maryland State College, B.A.
Temple University
University of Maryland

Mr. Carl M. Wagner, *Counselor*
University of Maryland, B.A.

Students Work In A Pleasant Atmosphere



Upon graduation from any of the nine participating schools, students who have attended the Vo-Tech Center will be ready to become working members of the community. Some graduates will be able to go to work immediately; others will find it more beneficial to become apprenticed in their trade. In this way, they can obtain more training while they work. After their apprenticeship, they are assured of steady pay increases.



Students desiring admission to the Vo-Tech Center must qualify. These qualifications include: interest, aptitude, school record, job availability, and principal's recommendation Once a student is at the center, he is guaranteed job placement under the guidance of the Maryland Employment Agency.

The Vo-Tech Center is the only one of its kind on the eastern shore of Maryland. Admitting only juniors and seniors, it has a total of three hundred students now, with an expected enrollment next fall of five hundred.

SENIORS AND SENIOR FEATURES

The Voyage of the Class of '67

As graduation draws near, we find that all our dreams have become reality. The first of June symbolizes the culmination of all our hopes during the five years we have spent at James M. Bennett Senior High School. As eighth graders in a new school, we set traditions and began a new spirit unlike any other school in this area.

Our very first task was that of writing a constitution and electing school officers to lead us. John Andrews, as first Student Council President, guided us through the first year, as we adopted the clipper ship as our symbol and red and white as our school colors. The highlight of the year was the dedication of James M. Bennett Junior High School, later to become our senior high school. In accordance with this dedication, we were host to many guests at teas and banquets throughout the year.

Much to our dismay, September, 1963, heralded the arrival of an older class, destined to become the first graduating class of James M. Bennett Senior High School.

In September, 1964, we returned to Bennett as sophomores. This was our first year of varsity sports and our many defeats were therefore understandable. However, this year was very important because it prepared us for the more difficult and more important opposition we would later face.

As juniors, we realized the preparation necessary for our all-important senior year. Our first major activity was the production of our junior class play, *Fair Exchange*, followed by the school musical, *Anything Goes*. On February 27, we received our class rings, and on April 2, honored the Class of '66 at the Junior-Senior Dinner Dance. We were honored by having five National Merit Commendation winners.

On September 7, 1966, we began our first last day of school. We welcomed Alex Niklison to our classes more as a new friend rather than as an exchange student. Under the guidance of Russ Dashiell as class president, we formulated plans and activities for the oncoming year, including *Arsenic and Old Lace*, and the successful production of *Brigadoon*. In preparation for our first Homecoming, we designed and built a float depicting a clipper ship and won first place. Sharon Cannon reigned over the festivities as Bennett's first Homecoming Queen; and later, Donna Aydelotte ruled as Holly Ball Queen.

May 5 brought a riotous day to New York, and one week later was the Senior Prom. "Mardi Gras" was the theme. May 24, we had our first practice for Baccalaureate and Graduation at the Civic Center. The Baccalaureate Service was held the following Sunday, May 28, with the Reverend J. Robert Mackey as the speaker. May 30 marked the end of our classes; and Graduation on June 1 marked the end of our five wonderful years at Bennett.

Left to Right: Becky McKee, Vice President; Mr. George Landes, advisor; Mrs. Emma Smullen, advisor; Bob Abel, Treasurer; Lydia Habliston, Secretary; Russ Dashiell, President.

As this school year draws to an end, I am prompted to look back on its events with some measure of pride. For our class, this year has been a culmination, a finish, a climax of five years of hard work.

Now, all of our functions and projects stand completed (even the anchor is installed). No final exams stand before our graduation as the dream that began five years go is finally becoming reality.

Bennett Welcomes

Alex Niklison

This year Bennett again had the honor of hosting an American Field Service exchange student. She was Alex Niklison, a friendly and charming student from Santa Fe, Argentina.

After overcoming her difficulties with American slang, she went to work and proved herself an excellent student. Upon her return to Argentina she will attend the University to prepare for her career as a high school teacher of history, geography, and Spanish.

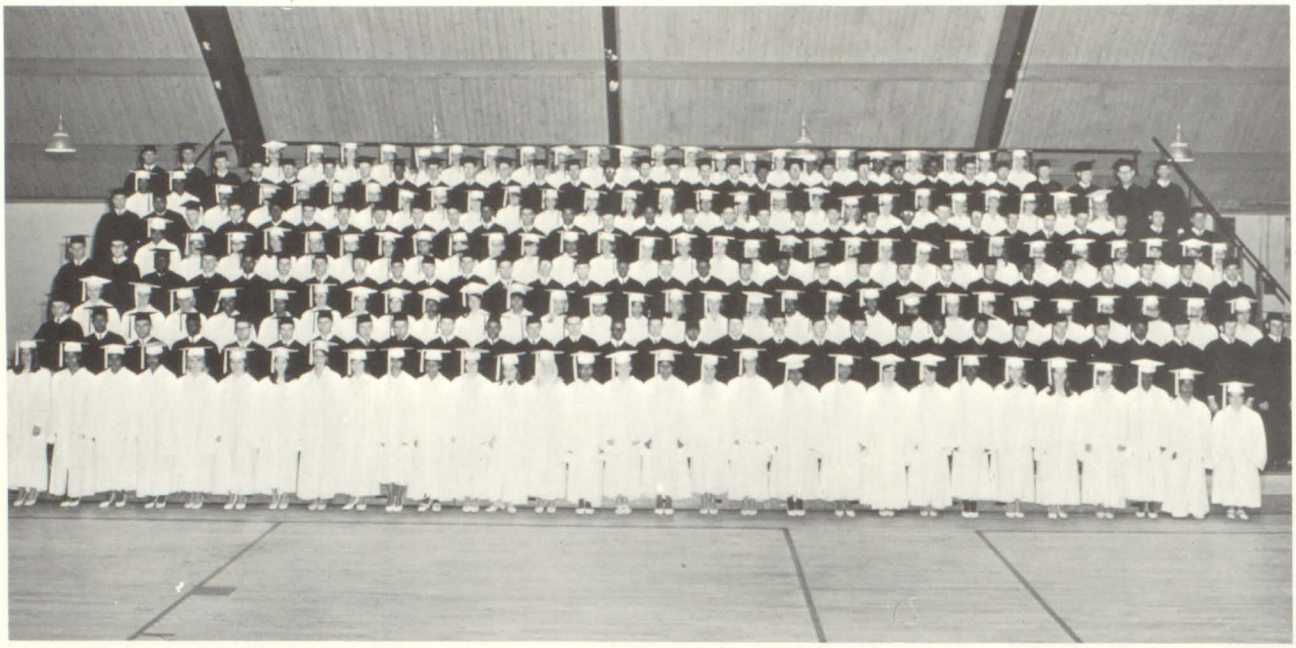
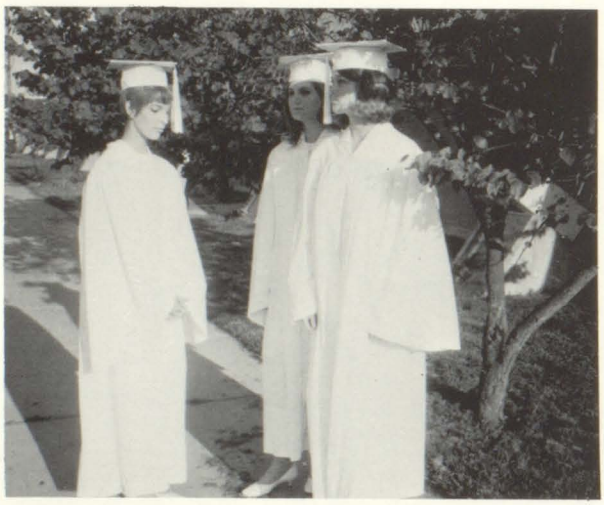
The Climax of the Senior Year





The Class of '67 set sail after a successful year with the final events of baccalaureate and graduation.

Sunday night, May 28, seniors gathered together for Baccalaureate service. Reverend Mackey gave the sermon, "Who Am I?"

Four days later came the event which signifies the culmination of high school and the beginning of adulthood. The long anticipated graduation exercises took place on June 1, in the Civic Center. Rear Admiral Joshua Cooper gave the address, after which the diplomas were distributed. And with the turning of the tassel and the singing of the Alma Mater, the graduating Class of '67 became alumni.

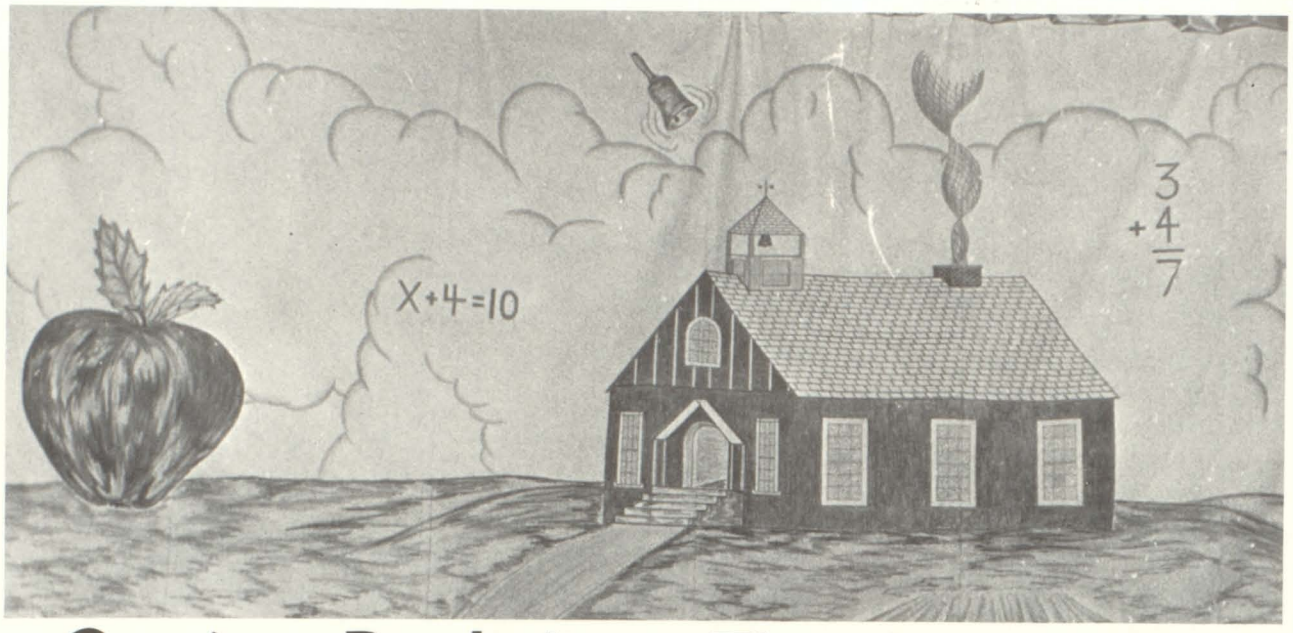
ACTIVITIES



Getting Back Into The Swing Of Things

On September 9, students started the year off with the annual Back-to-School Dance. The Coachmen provided the lively music. The Student

Council provided the decor, including a school scene on the stage. The band performed in a little red school house.

Bennett Abroad

MARK MANNING

Mark Manning has become the first Bennett Junior to participate in the American Field Service program. Mark is living with the Johan Lintrom's in Bloemfonstein, which is in the Orange Free State of the Republic of South Africa. He is attending Sentrale Hoerskool, where he has already become a part of the school community by leading the school Cadet Band and by participating in track and chess. The school, where students must wear uniforms and speak the native language, is strictly academic. Classes run from eight in the morning until one-thirty, and at four o'clock the extracurricular activities begin. Mark is gaining an education and a feeling for a country unobtainable except by living in that country. The knowledge he gains in school plus the insights added by his host family will add up to an invaluable experience.

RODNEY GRAVES

Where is the best place to learn watchmaking? Switzerland, of course, and surely Rodney Graves would agree, having studied there for nearly a year. Rodney won a scholarship to the Centre Perfectionment Horloger in Neuchatel, Switzerland, in January 1966. Upon completing his course in Switzerland, he returned to Salisbury in December, 1966, to finish his senior year of high school at Bennett. He is now employed in a local jewelry store and intends to make watchmaking a career. Rodney's Swiss training should prove very valuable, and, if possible, he plans to return to Switzerland for further training.

Bennett's First Homecoming got underway on Friday, November 11, with the best pep rally ever. Featured in the Homecoming Parade, held at 7:00 that evening, were floats by classes and organizations, as well as the candidates for Homecoming queen.

Half-time ceremonies at the Bennett-Georgetown game included the raffling off of a television set, and a band tribute to the returning alumni. The climax of the evening was the coronation of Sharon Cannon as Bennett's first Homecoming Queen. In her court were Honor Attendant Alex Nikilson and Terri Hitchens, seniors; Brenda Townsend and Marian Thompson, juniors; and Marcella VanHorn and Judy Clark, sophomores.

At the Homecoming Dance on Saturday, November 12, the festivities were reigned over by Queen Sharon Cannon. The Bluze performed under silhouettes of football players, and the Queen sat under a goal post, while her court sat on football benches.

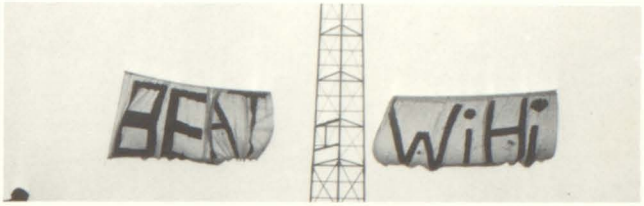
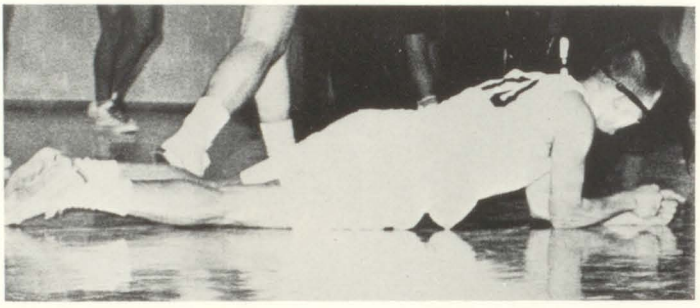
Turkey Day Ends — In A Draw . . .

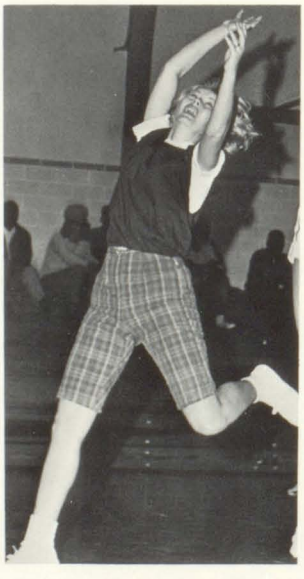


Anticipating a repeat performance of last year's game, Bennett students flocked to the stands for the second annual Turkey Day game. The Clippers led the first half, then lost the lead to the Indians during the third quarter. In the last three seconds of the game, the Clippers missed a touchdown by inches, and the Bennett fans left the stadium, trying to avoid the 12-12 tie on the scoreboard.

Faculty Frolics

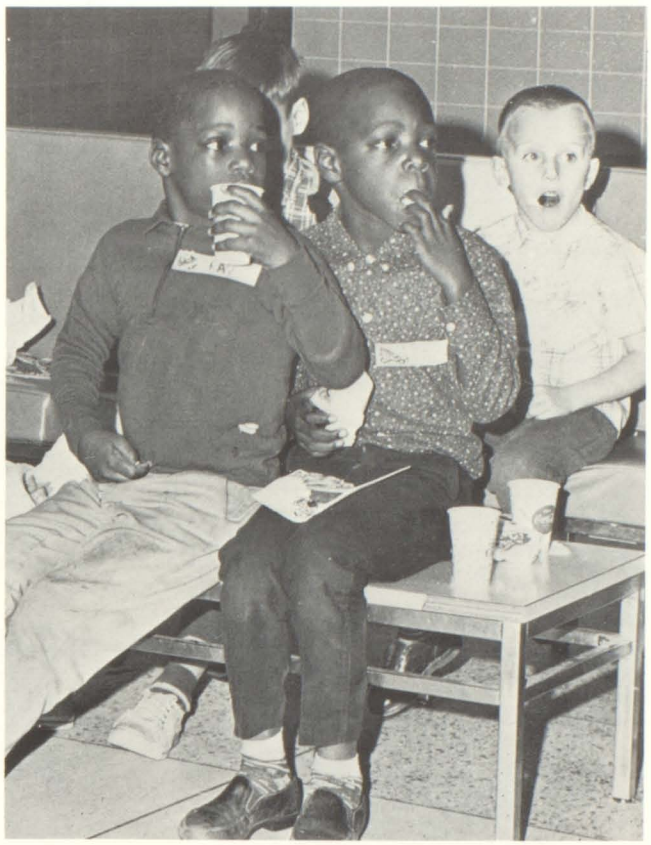
Bennett students usually oppose the Bennett faculty and usually lose, but in the case of the student-faculty basketball game, the decision was reversed. The teachers were sent dejectedly to the showers with two losses. The girls' varsity defeated the women's varsity 36-11, and the boys' varsity defeated the men's faculty 77-65. Not to be outdone were the rustic faculty cheerleaders, who were pulled out of years of storage to give limited encouragement to their failing teams. Better luck next year, Faculty!





Bennett Lends A Helping Hand At Home . . .

On December 21, the Student Council gave their annual Christmas Party for some twenty-five needy children from the Salisbury area. From 6:30 to 7:00, the boys and girls enjoyed themselves in the Student Lounge, which was decorated for the occasion with a gingerbread house and a Christmas tree. In addition to refreshments, each child received a gift from our own Santa, Ronnie Tilghman.



. . . And Overseas.

In the Bennett tradition of service, we have begun sponsoring a foster child, Chau Soo Man, a third grader living in Hong Kong. A good student in school, Chau enjoys reading and baseball; and in line with this, the Student Council sent him at the beginning of the year, a Bennett baseball cap and postcards of Salisbury. For Christmas, in addition to the money suggested by the agency, he received a baseball and glove. The BYC sponsors this program.

Holiday Season Ushered In

The highlight of the holiday season was the Holly Ball on December 16. The cafetorium was decorated with blue and green streamers along with the tradition of the Holly Ball, which hung from the center of the ceiling. In the ski lodge, refreshments were served to anyone who could break away from the music of the Virtues. Setting off the evening was the crowning of the new Holly Queen, Donna Aydelotte, by Sharon Fritz, last year's queen. The queen's attendants were Alex Niklison, honorary attendant, and Debbie Lowe, representing the senior class. Nancy Hess and Donna Kamanitz were junior class attendants and the sophomore class attendants were Glenda Tawes and Sandi Banks.

Don't Ever Grow Up

On April 20 and 21, the junior class of J.M.B. made their dramatic debut in *Don't Ever Grow Up,* by James Reach.

Under the direction of Mr. David Johnson, with Glenn Benedict helping as student director, the juniors gave a creditable performance of this comedy of teens growing up.

Stars of the production were Shelly Burns, Barrie Parsons, Barry Connor, Mike Minner, Dickey Swift, Delphine Pich, Clem Gaskill, and Colleen Mobray.

Brigadoon

The delightful Lerner and Loewe musical, *Brigadoon*, is the story of two New Yorkers who become lost in the Scottish Highlands. The wanderers stumble into Brigadoon, an enchanted village that appears only once every one hundred years.

A production of the entire student body, *Brigadoon* was presented March 2, 3, and 4. The cast included Gary Herb, David Meenan, Sue Hayes, Joan Howard, Heidi Peregoy and Harold Powell. Mr. David Johnson directed the musical and Mat Tilghman assisted as stage manager. The chorus and the orchestra were directed by Miss Anne Vincent and Mr. Charles Smith.

COACHES—CAPTAINS—MANAGERS: Coach Bailey, Bill Cerniglia, Pat Boccia, Coach Yobst, Eddie Gordy, Cooper Townsend, Hunter Smith.

The 1966 varsity football season proved to be tough as well as exciting, as the Big Red ended the season with an even record of 4-4-2. Memorable games during the season included the victory over Elkton, the romp over North Dorchester, the heartbreaking loss to Georgetown, and, most exciting of all, the tie with WiHi on Thanksgiving Day.

Statistics showed that the Clippers outscored their opponents 182-130. With competent quarterbacking, speed in the backfield, good blocking, and fine coaching, the Clippers ended the season with an admirable record.

First Row: Tom McGuirk, Frank Hill, Cooper Townsend, Tom Williams, Brad Jarman, Ronnie Becket; *Second Row:* Hunter Smith, Jeff Polk, Randy Dyer, Ronnie Vitello, Pat Boccia, Bill Cerniglia, Bob Abel.

Junior Varsity Football

JVs and Varsity join forces.

The Bennett Jayvees came out on top again this year, ending the season with a decisive record of 5-1-1. It was surely a team effort all the way as the young clippers defeated all but one of their opponents, Greenwood, a varsity team.

The season's highlights included the precise quarterbacking of Jeff Algatt, and the determined running of John Fields and George Adkins.

Although some players will move up into Varsity competition, the remainder of the squad should enjoy continued success next year.

Soccer

The Bennett Soccer team compiled a championship record of 7-3-1 under Coach James Little. The team brought another trophy to the school by defeating WiHi for the Wicomico County Championship and by defeating both Snow Hill and Deal Island for the District 5 Championship. The long kicking of Bryan Mears and Pat Massa, the accurate kicking of John Hanson and Dale Pusey, and the rugged kicking of Mack Pusey greatly contributed to the success of the team.

Varsity Basketball

This season was an up and down one for the Clippers, who compiled a record of 11-9. High scorer for the team was Max Cottman with 247 points, followed by Roger Dillow with 224, Rusty Evans, 212, and Tom Guy 209. The highlight of the season was the upset over WiHi, 74-66, enabling the Clippers to meet the crosstown rivals in a district championship at the Civic Center.

J.V. Basketball

Clippers raise the score!

The Jayvee Basketball team completed a successful season with a record of 11-6. The team proved hot and cold during the season, winning its first six games in a row and then dropping the next six. However, this was good experience for them, as some will comprise next year's varsity squad.

The team was aided by consistent ball handling and shooting by Warren White and the aggressiveness of Norm Holland.

Bennett netters had another winning season this year with a record of 6-2. Although the record was marred by two losses to WiHi, the team did not drop one point to its other opponents. Victims included Caesar Rodney, Cambridge, Easton, and the Towson State College Jayvees.

A notable achievement was C. J. Travers' undefeated record, including two singles victories over WiHi.

With a promising jayvee squad at Bennett Junior High, and seven remaining varsity players, the team should continue its winning ways in the years to come.

Track

The track and field team ended their eight dual meets with a record of 6-2. Victims of the team included Cambridge, Easton, Washington, Mardela, Stephen Decater, and highly-rated Garnett High.

The team did exceptionally well at the district meet, collecting 8 firsts, 1 second, 3 thirds, and 4 fourths.

Surely the most outstanding member of the team was Jeff Polk, who tallied 93½ points, setting the Class A state record for the 220 at 21.3 seconds, and tying the state record for the 100 at 9.7 seconds. Other school record holders include Lonnie Russell, Max and Don Cottman, and Kerry Betts.

Baseball

The Bennett baseball team had a good season this year, thanks to the many able-bodied players. Rusty Evans, winner of the Baseball Award, Tom Landry, Bill Dayton, and Mike Linkins were among the players whose skills stood out during the season, which ended with victory over WiHi.

Although three players are lost to the team due to graduation, the squad has a very good chance of having another winning season in '68.

Student Body:

The P.T.A. wishes to extend to the Class of '67 wholehearted congratulations for the fine manner in which you have led the student body and represented the school in the community this past school year. I myself am confident that you will continue to represent James M. Bennett Senior High School in a worthy manner, no matter where you might go.

Your class was the first at Bennett, and thus you are largely responsible for the foundation of many things. You claim the first Bennett Constitution and the first Student Council. You have set traditions, such as the Holly Ball and the Inaugural Ball. You first tested the Honor System at Bennett and found that in a good school community, it could work well.

The theme of the 1967 Voyager states: "This is not the end. It is not even the beginning of the end. It is rather the end of the beginning." This is the beginning of a new life for you, be it a job, college, or the service. Use the knowledge you have gained and try to set as good an example in your life as you have in Bennett.

The building blocks which you provided will be added to, and the traditions which you have set will be carried on. You actually represent a strong link in the history of James M. Bennett Senior High School and have been largely responsible for changing "Little Jimmy Bennett" into James M. Bennett Senior High School.

A yearbook is forever and we hope that those who leaf through this '67 *Voyager* in the years to come will find a part of themselves on each page.

It is hard to represent emotions such as joy or frustration in pictures and paragraphs; but on these one hundred and ninety-two pages, we have tried to give you an overall picture of this year.

Many people have worked long and hard on this yearbook and our thanks go to the entire staff and our advisor, Mrs. Earleen Streib. Our special thanks go to David Lank, our photographer, and our publishing company representative, Mr. Zsolt B. Takacs.
